

Client Checklist

- Do you have more than one insurance? If so do you know which one is your primary insurance?

- Did you call your insurance company to see if you need a referral or an authorization number to receive treatment? You will be responsible for any services not covered by your insurance carrier.

- Did you ask your insurance carrier for your exact copayment amount?

- Do you have a deductible? If so, do you know your amount to be met?

- Do you know the amount of sessions that are covered by your insurance carrier?
